### Editorial Review

From School Library Journal

Gr 1-3-Nate the Great returns in yet another installment of this beginning chapter-book series. This time his faithful sidekick, Sludge, is the big mystery-when the young detective comes out of the department store, his dog isn't waiting where he should be, and he's either missing or lost. Sludge ends up going to the one place that Nate loves, the cafeteria, and there they have their happy reunion. Weston's watercolor illustrations show the youngster's worry and determination, and lend humor to the story. Fans of this series will definitely enjoy the continuing adventures of Nate, Sludge, and their friends.
