### **Editorial Review**

#### Review

"(T)he provision of solid examples of a systematic use of research in practice will go a long way in helping me convey to students HOW research can and should be used in practice."

"The biggest strength is its simplicity... It provides a sufficient amount of content that is in keeping with the spirit of CSWE's accreditation standards for teaching research. Any instructor who uses this text will easily be in compliance with accreditation standards."

#### About the Author

Christine Marlow, Professor Emerita at the University of New Mexico, served as Dean of Instruction at the University of New Mexico for six years.
