Spotless (Spotless Series) By Camilla Monk

Island Chaptal—nerdy IT engineer by day, romance novel junkie by night—just walked into her messy New York apartment to find Mr. Right waiting for her. No, wait...*Mr. Clean*.

A gentleman professional killer with a bad case of OCD and zero tolerance for unsorted laundry, March isn't there to kill her...yet. He wants the diamond her late mother stole for a sinister criminal organization. Island agrees to help him find it, facing the kind of adversaries who dismember first and ask questions later. Good thing she's got March to show her the ropes. And the guns. And the knives.

The buttoned-up Island is soon having a blast racing from Paris to Tokyo following the clues in her mother's will, and for the first time, she's ready to get close to someone. But falling for a hit man may be the very definition of loving dangerously.

***Spotless* marks the beginning of Island and March's ongoing adventures.**

Editorial Review

Review

“The hilarious chapter headers—which I enjoyed as much as the rest of the book—set the tone of the book as one of over-the-top camp and a loving spoof of and homage to romantic suspense novels.” —*Dear Author*

“*Spotless* is a brilliantly written story with a difference. It crosses a few genres and brings something completely new to the table. It’s laugh-out-loud funny; it’s sweet and strangely romantic but in quite a unique way.” —*Totally Booked*

“The characters were beautifully done; they are fully developed; they make you laugh with them and appreciate their wit and charm. A truly 5 star novel that deserves tons of attention.” —*Readers' Favorite*

About the Author

Camilla Monk is a French native who grew up in a Franco-American family. After finishing her studies, she taught English and French in Tokyo before returning to France to work in advertising. Today, she’s a managing partner in a small ad agency, where her job is to handle all things web-related and make silly drawings on the whiteboard when no one is looking. Her writing credits include the English resumes and cover letters of a great many French friends, and some essays as well. She’s also the critically acclaimed author of a few passive-aggressive notes pasted in her building’s elevator.

Users Review

From reader reviews:

Holly Taylor:

In this 21st one hundred year, people become competitive in every way. By being competitive today, people have do something to make these survives, being in the middle of the crowded place and notice through surrounding.
