

## The Zombie Movie Encyclopedia: 2000-2010

By Peter Dendle

### The Zombie Movie Encyclopedia: 2000-2010 By Peter Dendle

This is a comprehensive overview of zombie movies in the first 11 years of the new millennium, the most dynamic and vital period yet in the history of the zombie genre. It serves not only as a follow-up to its predecessor (*The Zombie Movie Encyclopedia*, McFarland 2001), which covered movies from 1932 up until the late 1990s, but also as a fresh exploration of what uniquely defines the genre in the 2000s. In-depth entries provide critical analysis of the zombie as creature in more than 280 feature-length movies, from 28 countries and filmed on six continents. An appendix offers shorter entries for more than 100 shorts and serials.
