Bay's Mercenary By C.L. Scholey

Bay went from tortured human captive to exotic alien pet in a heartbeat. Zargonii warrior mercenaries are like nothing she has ever seen before. What do they want from her? The unearthly world Bay is taken to is fascinating, frightening, and a lot different from Earth. Zargonii males have never seen a small, vulnerable female. Their females are huge, aggressive, dominant, and the two sexes live apart for safety reasons.

Zane finds himself saddled with a bald, unusual pet Earth female. Females are anything but vulnerable in his world. This female is an oddity, and for some reason his new pet brings on his mating cycle. Zane is mortified until he discovers this intelligent pet of his has a secret - she's no pet at all. It takes everything in Zane's power to control the temptation of his kind's breeding habits - until he can control it no more.
