Caleb: A Black Widow MC Romance By Olivia Jones

### Nothing Can Stop Me...

#### Emily

I'm the new Sheriff and my job is to protect and serve. But this town doesn't think a woman can handle it. I'm going to give em' hell.

When the hotshot outlaw, Caleb, swaggers into my office, I'm ready to put the cuffs on him.

I can't stand his cocky smile and ink-covered body. Caleb believes he's above the law and I'll lock him up if he goes too far.

I can't let his bad boy charm get to me—but that desire raging in his eyes, his rough hands bending me over...

#### Caleb

I'm hardwired to f\*\*k and forget.

All-out war is inevitable and the new Sheriff thinks she can stop it. Brunette, busty, and begging to be pounded, Emily thinks she can control me.

I'll take her once and throw her away like the rest of the trash.

War is coming and not even Emily's sexy-as-hell body can stop me.

**This is a standalone novel with a HEA!**
