

Dante's Inferno

By Dante Alighieri

Dante's Inferno By Dante Alighieri

Dante's Inferno. An epic and searing poem, that takes the reader on an intense journey through the darkest pits of hell. As important and classic as the day it was written over 600 years ago. Dante's Inferno is one of the best and enduring works of Western Civilization. The immortal drama of a journey through Hell. Belonging in the immortal company of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest at the ways in which men have thwarted the divine plan. One of the few literary works which has enjoyed a fame that was both immediate and enduring, The Inferno's power has not been lessened or obscured after six centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times.

Editorial Review

About the Author

Durante degli Alighieri, was a major Italian poet of the Late Middle Ages. His Divine Comedy, originally called *Comedia* (modern Italian: *Commedia*) and later christened *Divina* by Boccaccio, is widely considered the greatest literary work composed in the Italian language and a masterpiece of world literature. In the late Middle Ages, the overwhelming majority of poetry was written in Latin, and therefore accessible only to affluent and educated audiences. In *De vulgari eloquentia* (*On Eloquence in the Vernacular*), however, Dante defended use of the vernacular in literature. He himself would even write in the Tuscan dialect for works such as *The New Life* (1295) and the aforementioned *Divine Comedy*; this choice, although highly unorthodox, set a hugely important precedent that later Italian writers such as Petrarch and Boccaccio would follow. As a result, Dante played an instrumental role in establishing the national language of Italy. Dante's significance also extends past his home country; his depictions of Hell, Purgatory, and Heaven have provided inspiration for a large body of Western art, and are cited as an influence on the works of John Milton, Geoffrey Chaucer and Lord Alfred Tennyson, among many others. In addition, the first use of the interlocking three-line rhyme scheme, or the *terza rima*, is attributed to him. Dante has been called "the Father of the Italian language" and one of the greatest poets of world literature. In Italy, Dante is often referred to as *il Sommo Poeta* ("the Supreme Poet") and *il Poeta*; he, Petrarch, and Boccaccio are also called "the three fountains" or "the three crowns".

Users Review

From reader reviews:

Larry Davis:

Book is to be different for each and every grade. Book for children till adult are different content. As we know that book is very important for us. The book *Dante's Inferno* seemed to be making you to know about other know-how and of course you can take more information. It is quite advantages for you. The guide *Dante's Inferno* is not only giving you a lot more new information but also for being your friend when you truly feel bored. You can spend your personal spend time to read your publication. Try to make relationship with all the book *Dante's Inferno*. You never feel lose out for everything if you read some books.

Aaron Martinez:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining including comic or novel. Typically the *Dante's Inferno* is kind of reserve which is giving the reader capricious experience.
