Gold Beneath the Waves: Treasure Hunting the Surf and Sand By Jim F. Brouwer

Finding gold on the beach or in the surf with a metal detector is not luck. Successful beach/surf hunters hunt hard and EARN every gold ring. But they also hunt smart. They use the right equipment. They know how to “read” the beach and surf. They analyze the clues, good and bad, to determine where to put in their time to maximize their gold finds. The gold is there. In 2008, the author found 134 gold items in nine months. The principles in this book will help anyone, capable of swinging a good beach metal detector, find the gold. Treasure hunting is exciting. Finding a gold ring and doing the ring dance is great fun. This book is your treasure map. It will increase the number of ring dances you do and give you the power to build your pile of gold.

Users Review

From reader reviews:

Ruth Barnett:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that guide has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they have because their hobby is definitely reading a book. How about the person who don't like reading a book? Sometime, particular person feel need book if they found difficult problem or perhaps exercise. Well, probably you will require this Gold Beneath the Waves: Treasure Hunting the Surf and Sand.

Kathy Woodward:

As people who live in the modest era should be revise about what going on or information even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Gold Beneath the Waves: Treasure Hunting the Surf and Sand is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Patricia Meyer:

The reason? Because this Gold Beneath the Waves: Treasure Hunting the Surf and Sand is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Gary Games:

Beside this specific Gold Beneath the Waves: Treasure Hunting the Surf and Sand in your phone, it may give you a way to get nearer to the new knowledge or details. The information and the knowledge you may got here is fresh from your oven so don't always be worry if you feel like an aged people live in narrow commune. It is good thing to have Gold Beneath the Waves: Treasure Hunting the Surf and Sand because this book offers to you personally readable information. Do you at times have book but you don't get what it's exactly about. Oh come on, that won't happen if you have this within your hand. The Enjoyable agreement here cannot be questionable, including treasuring beautiful island. So do you still want to miss it? Find this book along with read it from at this point!
