Miles to Go By Miley Cyrus

“There are multiple sides to all of us. Who we are and who we might be if we follow our dreams.”

-Miley Cyrus

Three years ago, Miley Cyrus was a virtual unknown. Her life in rural Tennessee was filled with family, friends, school, cheerleading, and the daily tasks of living on a farm. And then came a little show called *Hannah Montana*.

Almost overnight, Miley would rocket to superstardom, becoming a television and singing phenomenon. Quiet days were replaced with sold-out concerts, television appearances, and magazine shoots. But through it all, Miley has remained close to her family and friends and has stayed connected to the Southern roots that made her so strong.

In *Miles to Go*, Miley offers an honest, humorous, and often touching story of one girl's coming-of-age--from private moments with her pappy to off-roading with her dad, Billy Ray, to her run-ins with mean girls. Miley talks about suffering through drama and heartbreak and coming out the other end unscathed (relatively). And now for the first time, she will discuss it all—the milestones still left to reach (driver's license! voting!), dreams to live out (travel to Asia! find true love!), and the lessons to be learned (remembering to enjoy every moment!).

This is a truly unique look inside the world of one of today's biggest and brightest stars as she tackles looking back and moving forward.

Editorial Review

About the Author

Miley Cyrus grew up on a farm in Franklin, Tennessee, before heading to Hollywood and superstardom playing Hannah Montana on the hit Disney Channel show. A triple threat, the sixteen year-old has acted, sung, and danced her way to numerous awards, including Favorite TV Actress and Best Performance in a TV Series at the Kids' Choice Awards as well as Favorite Artist at the Teen Choice Awards (to name only a few). Her first solo album, Breakout, debuted at number one on the Billboard charts and has since gone on to sell over a million copies. When not keeping busy with her work obligations, Cyrus is very involved with several charities. In 2008, the first-time author was chosen as one of Time magazine's World's 100 Most Influential People as well as The Hollywood Reporter's Women in Entertainment Power 100.

Users Review

From reader reviews:

Darrell Fowler:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each guide has different aim or perhaps goal; it means that e-book has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they have because their hobby will be reading a book. How about the person who don't like looking at a book? Sometime, man or woman feel need book after they found difficult problem or perhaps exercise. Well, probably you should have this Miles to Go.

Richard Davy:

Book is written, printed, or outlined for everything. You can recognize everything you want by a publication. Book has a different type. As it is known to us that book is important thing to bring us around the world. Adjacent to that you can your reading proficiency was fluently. A guide Miles to Go will make you to be smarter. You can feel far more confidence if you can know about almost everything. But some of you think this open or reading a new book make you bored. It's not make you fun. Why they can be thought like that? Have you trying to find best book or suited book with you?

Jennifer Williams:

Often the book Miles to Go will bring someone to the new experience of reading any book. The author style to spell out the idea is very unique. In case you try to find new book to see, this book very suitable to you. The book Miles to Go is much recommended to you to see. You can also get the e-book in the official web site, so you can more readily to read the book.

Larry Pulido:

This Miles to Go is great book for you because the content that is certainly full of information for you who all always deal with world and get to make decision every minute. That book reveal it data accurately using great arrange word or we can claim no rambling sentences inside. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with splendid delivering sentences. Having Miles to Go in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen moment right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?
