### Mohammed And the Unbelievers : a political life (Islamic trilogy series, v.1)

By Bill Warner

Knowing the life of Mohammed (the Sira) is the key to understanding Islam and the Koran. In one of the great stories of history, Mohammed went from being an orphan to the first ruler of all Arabia. Battles, raids, torture, deception, slavery, assassinations, heroes, secret agents, and religion all figure in his glorious triumph. Mohammed was the world's supreme master of war. Poetry, passion, culture, immigration, history, sex, ethics, economics, Paradise and Hell were all used to define a new form of war-jihad. This is an epic story and sacred text and a part of the Islamic Trilogy Series. Islam is a political system, a culture and a religion based upon the Koran, Sira (life of Mohammed) and Hadith (the Traditions of Mohammed). The Islamic Trilogy series integrates the three primary sources to give the entire Islamic political doctrine-the treatment of non-Muslims. The Trilogy is authoritative and fact-based. All statements can be confirmed by the use of reference numbers. The knowledge is integrated-all of the primary sources are used to give the complete picture of Islam's political doctrine.

### Editorial Review

#### About the Author

Bill Warner holds a PhD in physics and math. He has been a university professor, entrepreneur and applied physicist. Dr. Warner has had a life-long interest in religions and their effects on history. His study of Islam started in 1970, but became his singular focus after the horrific events of 9/11. Dr. Warner's scientific training shaped how he analyzed Islamic foundational doctrine. In this collection of innovative works, Dr. Warner uses statistical methods to simplify and illustrate undeniable, fact-based findings about the world of Political Islam. Furthermore, all understanding of Islamic history and current events must be done in the light of the Islamic doctrine found in the Trilogy--the Koran, Sira (Mohammed's biography) and Hadith (Mohammed's traditions). Dr. Warner's writing is easy to follow and understand. You do not need to be a scholar to understand these books. If we understand the world of Political Islam then we can understand why certain Islamic events are happening around us and maybe even how we can begin to stop them. It is for this reason that Dr. Warner started the Center for the Study of Political Islam.
