Editorial Review

Review

Beyond Haynes, Beyond Chilton's, there is the Bentley Manual. Simply the best automotive repair manuals, the Bentley Bibles are worth their weight in gold. While not as photo-heavy as the Haynes manual, this is the MOST informative book I've found on working on Saab 900s. (The series is entirely fabulous, I own both the Saab and Volvo manuals, and they have saved me both time and money.) The Bentley Manual is simply the most thorough repair manual available ... --saabcentral.com
