

Sojourners and Settlers: Histories of Southeast Asia and the Chinese

From Brand: University of Hawaii Press

Sojourners and Settlers: Histories of Southeast Asia and the Chinese From Brand: University of Hawaii Press

Only recently has the role of Chinese minorities at the forefront of Southeast Asia's rapid economic growth attracted world attention. Yet interactions between Chinese and Southeast Asians are longstanding and intense, reaching back a thousand years and making it difficult, if not specious, to attempt to disentangle what is Chinese and what is indigenous in much of Southeast Asian culture. *Sojourners and Settlers*, now back in print, written by some of the most distinguished specialists in the field, demonstrates the depth of that relationship.

Contributors: Leonard Blussé, Mary Somers Heidhues, Jamie C. Mackie, Anthony Reid, Craig Reynolds, Claudine Salmon, G. William Skinner, Wang Gungwu, O. W. Wolters.
