A Slice of Honeybear Pie (BWWM Paranormal BBW Bear Shifter Romance) (Bearfield Book 1) By Jacqueline Sweet, Eva Wilder

Matt Morrisey is a bear shifter with a sweet tooth, an easy smile, and muscles for miles

When Mina Brooks' dreams of opening her own bakery go up in literal flames, she has no choice but to run. Bad men are after her and they won't stop coming until she's silenced for good. It's hard to escape though when you roll your car off a mountain road and get tangled up with the local police. Trapped in jail with her enemies closing in, Mina is all but done for.

Matt Morrisey expected the call would be just another drunk who needed a lawyer he couldn't afford, but when the big shifter laid eyes on his client and her sweet curves, he knew his life was about to change. Mina was his fated mate, he could feel it in his blood. How could he convince the terrified woman that they were destined for each other, that he could protect her, without scaring her off?

As fate pulls the two of them closer, and the dangerous men close in on Mina, Matt has to prove he's got what it takes to defend the woman he loves from the mysterious forces pursuing her.

A Slice of Honeybear Pie is a **standalone story** set in the cozy yet mysterious town of Bearfield.

Editorial Review

From the Back Cover

Excerpt

"No weapon forged by man can pierce my skin or rob me of my breath," Matt intoned with a voice like a cartoon wizard. "At least that's what they say."

"I'll aim for an arm," Mina said. "That way if you're crazy I at least don't kill you."

"If you kill me, the house is yours though."

"Maybe I should aim for your head then."

"Please do, it won't matter."

"I'm really not comfortable with this, Matt." Hearing her say his name put a fizz in his bones. He could listen to his name on her lips for the rest of his life, especially if they were parted and slick and moaning it over and over again.

Matt shook his head. The mating impulse was overpowering. "Wait, before you throw it let me change out of these clothes. Michael would be pissed if I got a knife wound in his Pooh Bear shirt." He peeled off the shirt and stood half naked and exposed in front of her. Mina stared at him like he was an oncoming train.

"Okay, throw the knife."

Mina stared, eyes wide. The knife dangled absently from her fingers.

"I'm ready. Throw it!" Matt jumped up and down, excited to show off his trick. But Mina was frozen. He sniffed the air, and caught her scent. Lust, overpowering, knee-shaking lust. Her heart raced in her chest. Her breath came quick and shallow. Her pupils were dilated so that her warm brown eyes were almost entirely black. Every one of his heightened animal senses told him that she was ready to mate, that her body was making itself ready for him, that she craved everything he had to offer.

He could take her. Right then, on the polished wood of the kitchen island, he could sweep the food to the floor and spread her open on the table. He could lick the honey from between her legs with long slow deliberate licks until her toes curled and she cried out his name. How would she sound when her pleasure took her? Would she scream or whimper? Would she moan low and deep? Would she be one of those quiet girls who came in a chirping squeak? He needed to know.

About the Author

Hi, I'm Jacqueline Sweet. I love to write sexy, thrilling stories. My stories are either paranormal, or contemporary and steamy. I love to write about werewolves, succubuses, witches, dragons and everything else that has magic pumping in its veins. Broadly speaking, my stories are either centered on the paranormal community of California's Bay Area, or take place at my sexy, dangerous Penrose Academy, a university for wizards too dangerous or odd for the better wizarding schools.
