Claimed by the Alien Prince: Alpha Alien Romance (Alpha Aliens of Fremm Book 1) By Nancey Cummings

Prince Aster didn't believe in "mates" or other bedtime stories...until he sensed Evie's curious scent. The **curvy** human woman with curly brown hair and **caramel skin** is nothing like he expected -- but someone unique and strange. This **alpha alien must claim her and take her in every way**.

Evie can't deny her attraction to the **big blue alien 'man'**, or their chemistry -- but his mate? Can she leave everyone and everything behind for this **towering, muscular stranger** from another world? His **sky blue skin glows where they touch** and it excites her in a passionate new way. Does she have a choice -- or is it her destiny?

This is a first part in a fated mates serial. No cliffhanger. Guaranteed happy ending.
