By Lauren Blakely

**Far Too Tempting (Entangled Edge)** By Lauren Blakely

Jane Black has written the breakup album of the century, earning her a Grammy, a huge legion of new fans, and the pressure to repeat her success. Sure, the heartbreak from her husband's unconventional abandonment might have been her inspiration, but it hasn't done her any favors in the dating department. So when Matthew Harrigan, the toughest music journalist out there, asks for an interview, Jane agrees--as long as her personal life is completely off-limits. British, gorgeous, and way too tempting, Matthew's the first guy Jane's been attracted to since her husband. As she spends more time with him and their relationship heats up, though, so does her writer's block. How can the queen of the breakup pen the perfect follow-up when she's seriously in love?

### Editorial Review

#### Review

"Blakely's latest work is fun, steamy and delightfully different, and her characters are charming, well-rounded and instantly sympathetic. But the power of her story lies in the writing. Blakely's ability to create scenes, emotions and moments makes this book simply compelling. **It's impossible not to fall utterly in love with the humor and passion between her tempting, talented hero and remarkably resilient heroine.** New readers and longtime fans: Don't miss this newest success." 4 1/2 stars from Romantic Times Reviews

#### From the Inside Flap

*"It's a shame it's not June," Matthew says, and we both stop to look up at the wintry sky, the color of slate. Gloom-filled clouds have claimed the once-blue real estate.*

*"Because it would be warm and wonderful and we could wear shorts and tank tops?"*

*He rakes me over with his blue eyes, lingering on my chest in a way that would bug me if he were a random guy on the street, but that instead heats my body given that he's not. "Tank tops are a big yes. That, and summer fruit," he adds. "I love coming here in June and July. They have the most amazing peaches. Honey-kissed peaches," he says, as if he enjoys the way those words take shape on his tongue as he's looking at me. My chest feels hot, and I bite my lip absently, barely even aware I'm doing it. But he picks up on my signals, the cues that my body's giving off. He leans closer and brings his mouth to my ear, his breath warm against my skin, sending shivers through me. "Isn't that a great description for peaches?"*

*I sway slightly, and he steadies me with a hand on my elbow. There's a table full of bread behind me that I may topple into if he keeps doing this. "You need to stop talking to me about fruit as if it's foreplay," I say breathily.*

*"I do?" he asks, far too innocently to be believed.*

*"Yes. You do."*

*"Why?"*

*"Because," I say in a jagged whisper.*

*"Because why?"*

*"Because it makes me want more."*
