About the Author

Paul J. Feldstein is Professor and Robert Gumbiner Chair in Health Care Management at the Paul Merage School of Business, University of California, Irvine, a position he has held since 1987. He previously served at the University of Michigan as Professor in both the Department of Economics and the School of Public Health. Before that, he was Director of the Division of Research at the American Hospital Association. Professor Feldstein has written more 70 articles on health care as well as seven books, including *Health Policy Issues: An Economic Perspective on Health Reform*, 5e (2011) and *The Politics of Health Legislation: An Economic Perspective*, 3e (2006). During several leaves from the University, Professor Feldstein worked at the Office of Management and Budget, Social Security Administration, and the World Health Organization. He has served as a consultant to many government and private health agencies, an expert witness on health anti-trust issues--including the case of the FTC v. The AMA, which was decided by the U.S. Supreme Court--and as a member of the boards of directors of several health care firms. Professor Feldstein received his Ph.D. from the University of Chicago.

Users Review
