

Heartburn

By Nora Ephron

Heartburn By Nora Ephron

Brilliant journalist Nora Ephron has concocted an acidic first novel from the ingredients of a two-career couple's life in New York and Washington and on the Eastern Shuttle in between. She garnished it with recipes from protagonist Rachel Samstat, the pregnant celebrity cookbook author who finds out her husband is having an affair, and serves it with witty commentary on sex, betrayal, jealousy, divorce, and therapy. The result is "Heartburn", a story that will leave you laughing through the tears.

Editorial Review

Review

'Funny and touching ... proof that writing well is the best revenge' Chicago Tribune

From the Back Cover

Is it possible to write a sidesplitting novel about the breakup of the perfect marriage? If the writer is Nora Ephron, the answer is a resounding yes. For in this inspired confection of adultery, revenge, group therapy, and pot roast, the creator of *Sleepless in Seattle* reminds us that comedy depends on anguish as surely as a proper gravy depends on flour and butter. Seven months into her pregnancy, Rachel Samstat discovers that her husband, Mark, is in love with another woman. The fact that the other woman has "a neck as long as an arm and a nose as long as a thumb and you should see her legs" is no consolation. Food sometimes is, though, since Rachel writes cookbooks for a living. And in between trying to win Mark back and loudly wishing him dead, Ephron's irrepressible heroine offers some of her favorite recipes. *Heartburn* is sinfully delicious novel, as soul-satisfying as mashed potatoes and as airy as a perfect soufflé.

About the Author

Nora Ephron has received Academy Award nominations for Best Original Screenplay for *When Harry Met Sally*, *Silkwood*, and *Sleepless in Seattle*, which she also directed. She lives in New York City with her husband, writer Nicholas Pileggi.

Users Review

From reader reviews:

James Nadler:

What do you with regards to book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question due to the fact just their can do which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of *Heartburn* to read.

Henry Woods:

Reading a e-book can be one of a lot of action that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new information. When you read a reserve you will get new information since book is one of several ways to share the information or perhaps their idea. Second, studying a book will make you actually more imaginative. When you looking at a book especially tale fantasy book the author will bring you to definitely imagine the story how the people do it anything. Third, you could share your knowledge to others. When you read this *Heartburn*, you may tells your family, friends in addition to soon about yours guide. Your knowledge can inspire different ones, make them reading a reserve.

Barbara Robbins:

Are you kind of occupied person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill also analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because this all time you only find publication that need more time to be study. Heartburn can be your answer given it can be read by you actually who have those short free time problems.

Ella Carlson:

This Heartburn is completely new way for you who has attention to look for some information given it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or else you who still having little bit of digest in reading this Heartburn can be the light food to suit your needs because the information inside this specific book is easy to get by simply anyone. These books produce itself in the form which can be reachable by anyone, sure I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a reserve especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book type for your better life along with knowledge.
