Making Sense of Women's Lives: An Introduction to Women's Studies From Brand: Rowman Littlefield Publishers

Making Sense of Women's Lives presents a wide range of writings about women's lives in the United States. Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection. Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits, the editors have also chosen writing that makes an enjoyable read. A few of the selections here represent the undisputed 'classics' of the field. More of them constitute simply the works, drawn from academic and nonacademic sources alike, that could make a difference in understanding what it means to be female in America.

Making Sense of Women's Lives is intended as the primary text in Women's Studies courses. With that usage in mind, Plott and Umansky have provided brief introductions to each article to help students understand the author's perspectives. Thought and discussion questions follow each selection. The book contains, as well, numerous "Flash Exercises"--suggestions for class exercises and activities. The editors have used these activities in their courses over the past decade, in conjunction with readings in this volume, and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women's Studies.

A Collegiate Press book

Editorial Review

Users Review

From reader reviews:

William Boehme:

In this 21st one hundred year, people become competitive in every single way. By being competitive today, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. That's why, by reading an e-book your ability to survive increases then having a chance to stand out is high. For yourself who want to start reading some sort of book, we give you this particular Making Sense of Women's Lives: An Introduction to Women's Studies book as a beginning and daily reading publication. Why, because this book is greater than just a book.

Jeffrey Dominguez:

Nowadays reading books are a little more than want or need but also become a life style. This reading routine gives you a lot of advantages. Associate programs you get of course the knowledge even the information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want more knowledge just go with training books but if you want an entertaining happy read one having a theme for entertaining like comic or novel. The Making Sense of Women's Lives: An Introduction to Women's Studies is kind of a guide which is giving the reader an unpredictable experience.

Shad Broussard:

Can you be one of the book lovers? If so, do you ever feel doubt when you find yourself in the book store? Aim to pick one book that you find out the inside because don't evaluate a book by its deal with may doesn't work here is a difficult job because you are afraid that the inside maybe not since fantastic as in the outside seem like. Maybe your answer might be Making Sense of Women's Lives: An Introduction to Women's Studies why because the great cover that makes you consider with regards to the content will not disappoint an individual. The inside or content will be fantastic as the outside or perhaps cover. Your reading 6th sense will directly make suggestions to pick up this book.

Stacie Schneider:

Are you kind of a hectic person, only have 10 as well as 15 minutes in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you have a problem with the book as compared to can satisfy your small amount of time to read it because this time you only find a guide that needs more time to be studied. Making Sense of Women's Lives: An Introduction to Women's Studies can be your answer as it can be read

by you actually who have those short extra time problems.
