Secrets She Left Behind By Diane Chamberlain

One afternoon, single mother Sara Weston says that she's going to the store—and never returns. In her absence, she leaves her teenage son alone with his damaged past and a legacy of secrets.

Keith Weston nearly lost his life in an act of arson. He survived—but with devastating physical and emotional scars. Without his mother, he has no one to help him heal, no money, nothing to live for but the medications that numb his pain. Isolated and angry, his hatred has one tight focus: his half sister, Maggie Lockwood.

Nineteen-year-old Maggie Lockwood spent a year in prison for the acts that led up to the fire. Now she's back home. But her release cannot free her from the burden of guilt she carries. She grew up with Keith Weston, played with him as a child...and recently learned they share the same father.

Now the person Keith despises most is the closest thing he has to family—until Sara returns. *If* Sara returns....

Editorial Review

From [Booklist](#)

Keith Weston is having a rough year. After finding out that his biological father is the deceased husband of his mother's best friend, he got caught in a fire started by his newly discovered half-sister Maggie. Now, badly scarred and very angry, Keith has no one but his mother, Sara, to lean on. Until she mysteriously disappears one afternoon without a word. Chamberlain offers a follow-up to *Before the Storm* (2008) that can stand alone as a fast-paced read that, through the alternating perspectives of the children and a diary kept by the still-missing Sara, explores the psychological complexity of a family pushed to its limits. Although some of the novel's plot twists may be more significant to those who have read the first book, the alternating narratives allow plenty of insights into the characters' motives while creating intrigue and suspense. Ultimately, Sara's disappearance reveals a long history of secrets and deceit, forcing Keith to learn to be independent. --Claire Orphan

Review

"A fast-paced read that...explores the psychological complexity of a family pushed to its limits." -Booklist
