Strapped By Lucia Jordan

A powerful Contemporary Romance. Here is the first book in the ‘Strapped’ Series by Lucia Jordan, written in her signature style of high passion and emotion.

Life imitates art unlike anything Madeline has experienced before.

Madeline Longo is well known in the world of romantic literature as editor of SwanSong Books – the publishers of best selling romance, whose steamy works are popular with readers. Unfortunately what she is not so talented in is transferring that success to her love life, which is practically nonexistent due to the demands of her career. But when she meets Will Bennet—a sensuous romance writer who is not afraid to act on his powerfully seductive imagination—she finds herself for the first time living out her deepest fantasies. He intrigues and excites her, and not before long she finds herself swept up in his world of dark fantasy that’s addictively mind-blowing.

But can Will and Madeline’s careers withstand the force of their attraction? With Will on her mind, Madeline is losing track of work and her competitive streak is fading. And when she gives Will an ultimatum, will she end up losing him to SwanSong’s biggest rival?

Only mature readers should download this book.
