Tarot for Christians: Lessons from Christ's Fool (2d edition) By Abp Wynn Wagner

Second edition: expanded, annotated, and illustrated. The main character of tarot's first card is The Fool, and Tarot for Christians is the adventure of that innocent wanderer. THE FOOL is a simple traveler through the deck, growing and learning, experiencing and living. The author — a retired archbishop of the Old Catholic Church — brings his knowledge of metaphysics and traditional symbolism to these misunderstood “flash cards.” Each of the major cards in the deck is a station on the Fool's journey. The archbishop explains his take on each of the major cards with humor and eager anticipation of the wisdom to be found in the images. The Fool's adventure is a meditation on life, not an attempt to peer into the future. It is a lesson for today, not tomorrow. Tarot for Christians is the loving and personal journey of Christ's vagabond, and he wants us all to join him.

Editorial Review

About the Author

Archbishop Wynn Wagner is the Coadjutor Emeritus of the North American Old Catholic Church and a former president of the World Conference of Old Catholic Churches. He has written or edited more than twenty books on religion, liturgy, and paranormal fiction. In addition to books, the archbishop was the founder and programmer behind OPUS, one of the most widely used computer bulletin board systems of the 1980s. One amazing point about OPUS is that Wynn never made a penny from the sale of that software. He opted to let it earn money for HIV/AIDS charities. It brought in millions to patient care and research at a time when nobody else was trying to help. In 2012, AEGiS awarded him their Health, Human Rights and Humanitarian Award marking a lifetime of humanitarian work. Wynn is known for an easy-to-read style that is usually irreverent and almost always funny.
