*By Robert Barron*

**The Strangest Way: Walking the Christian Path** By Robert Barron

Is Christianity a bland, domesticated religion, unthreatening and easy to grasp? Or is it the most exotic, unexpected, and uncanny of religious paths? For the mystics and saints -- and for Robert Barron who discovered Christianity through them -- it is surely the strangest way. "At its very center, " writes Barron, "is a God who comes after us with a reckless abandon, breaking open his own heart in love in order to include us in the rhythm of his own life." What could be more compelling?
