Lois' life was forever changed one night when she saw a part of the world she wasn't supposed to see, the paranormal world. Saved from the clutches of a beast that wanted to end her, Lois had met her new employer Colin. From the moment they met, Lois had strange feelings towards the tall, dark stranger. As she got to know him more, the strange feelings turned to a soul-crushing need that she could no longer deny.

Colin was just as smitten, though he could not succumb to the beautiful redhead's charm. His Dragonkin blood made it impossible for them to be together, as mixed mating was looked down upon. A mere human like Lois could never be enough for the leader of the Castine dragon family. Colin tries to ignore his feelings, but just like Lois, he is unable to. Can he convince Lois to give up everything she knows and loves, to be with him? And will he still be the leader of his Dragonkin line, if he gives in to his primitive desires?
