Lord Fenton's Folly By Josi Kilpack

Lord Fenton is a gambler and a dandy, and he will be stripped of his wealth and position unless he rises to his responsibility—one of which is to marry. Far from being a giddy groom, Fenton chooses the unobjectionable Alice Stanbridge simply because he had known her as a young girl and his mother feels Alice would make a good wife.

Alice, however, has harbored feelings for Fenton since their first meeting years ago, and his proposal is a dream come true. Not only would a match with the most-eligible bachelor in London secure her future, but it will also give her a place of distinction and admiration. Had anyone admired Alice for anything before now?

When Alice learns that she is not only an unwanted wife, but a demanded one, however, she closes her heart. Only when Lord Fenton faces the greatest trial of his life does he begin to find love beyond the folly. Could a great love come from a beginning such as this?

Editorial Review

Review

Nice imaginative touches...An entertaining verbal battle of the sexes. --*Publishers Weekly*

An interesting take on respect and respectability and the choices a noble family must make when things go awry. Watching Alice and Charles grow into themselves and love for each other is nuanced and rewarding. A poignant Regency romance with subtle inspirational messages about the power of forgiveness and authenticity. --*Kirkus*

A poignant love story...Filled with exceptional characters. An endearing tale...this heartwarming story is filled with healthy banter and dark family secrets, and is centered on a kind, beautiful, and intelligent young woman. The bonds that Alice forms with those around her are incredibly deep. There is plenty of perplexing mystery surrounding the difficult and unique relationship between her and Lord Fenton. The author does a terrific job describing the intense and complicated relationships woven throughout the book, with many perfectly written and elegantly described social events, leaving just enough ambiguity to entice and engage her audience. The characters are...relatable and believable enough to allow those sweet fantasies of a better life to be dreamed upon and savored. The storyline and the narrative are incredibly touching and thoroughly enjoyable. Will be a joy for any lover of true romance, and with a G-rating, young women everywhere are bound to fill their days and nights dreaming of being in Alice's shoes. --*Foreword Reviews*

"Kilpack creates a number of appealing characters, a colorful nineteenth-century setting, and a few family secrets. Traditional Regency romance in that scenes may get a little steamy, but not too sexy. Recommended for teen readers who favor chaste romance novels with a period setting."-Booklist

About the Author

Josi S. Kilpack is the award-winning author of more than twenty novels, including the twelve-volume Sadie Hoffmiller Culinary Mystery Series.

Users Review

From reader reviews:

Stephanie Carlton:
