**Maiden in Manhattan: A Time Travel Romance (A Timeless Love Book 1)** By Abbie Zanders

How far would you go to find your soul mate?

Little did Scottish peasant girl Isobeille Aislinn McKenna know that when she prayed for divine intervention in 1414, her desperate plea would be answered by throwing her six hundred years into the future - right into the path of a bus in the heart of one of the busiest cities on the East Coast. Thankfully, Nick Peterson was there to tackle her out of its path. He's not happy about it, but both his conscience and his protective instincts kick in in a big way when he realizes Isobeille has nowhere else to go.

But how is he going to explain her to his girlfriend?

#### **Editorial Review**

From the Author

*Maiden in Manhattan* (originally published as *Lost in Time I*) is the first of a two-part series; however, both books can be read as stand-alones and in any order.

The premise behind the series is based in Newton's third law, which claims that for every action, there is an equal and opposite reaction. In Book 1, Isobeille Aislinn McKenna comes forward 600 years in time from 15th century Scotland to 21st century New York.

**Warning:** Due to occasional strong language and steamy scenes, this book is intended for mature (18+) readers only.
