Editorial Review

Amazon.com Review

By now the whory notion of doing a tell-all book about your boss, the President, is a hoary one too. (It dates back to Ike, who got the treatment from one of his doctors.) But with this book, the Clinton administration breaks new ground by being on the receiving end of a kiss-and-sell from a member of the White House *security* staff. Aldrich was an FBI agent assigned to the White House under both Bush and Clinton who, as this book makes clear, didn't think the changeover was progress. He mostly fixes on anthropological differences: the Bush staffers were neat and straight, the Clintonites were sloppy and had kinky work- shift sex a stone's throw from the Oval Office. Who knows if it's true? Who knows if Aldrich was debating between this and other more devastating forms of revenge available to a presidential guard?

From Library Journal

Aldrich, who spent 30 years with the FBI, the last five as an agent responsible for background checks on White House staff, does not earn much sympathy with this ear-to-the-gutter expose of the Clinton administration. Other books, such as Roger Morris's *Partners in Power* (LJ 8/96) and Meredith Oakley's *On the Make* (LJ 7/94), detail the rudeness of the Clintons and the people that surround them, but Aldrich lashes back at the lack of cooperation he received with repetitive character assaults, allegations, and blanket condemnations. Former White House Counsel Bernard Nussbaum is a "short, pushy, dissembling New York lawyer." Vincent Foster, with whom Aldrich had some contact, was not likely depressed because Aldrich didn't notice it. (Neither did Foster's best friends, including the Clintons). Hillary Clinton, "Mrs. President," was in charge of all hiring and preferred "tough...lesbian women...and gay men." The book concludes with the background investigation of the Clintons that Aldrich would have submitted had he been given the opportunity. Not surprisingly, it concludes that the Clintons are not fit for the White House. Not recommended. ?Karl Helicher, Upper Merion Twp. Lib., King of Prussia, Pa.
